

PEOPLE'S PARTY OF CANADA

"If we want conservative principles to win, we have to defend them openly, with passion and conviction."

"We will not send billions to other countries to boost their economies, while many Canadians, including First Nations communities, have levels of poverty comparable to third world countries. Instead of sending billions of dollars to other countries, we will use that money to cut taxes and help Canadians in need, in Canada."

Maxime Bernier
Party Leader

DOING POLITICS
DIFFERENTLY

PEOPLE'S PARTY OF CANADA

The PPC stands for:

**Freedom, Responsibility,
Fairness, and Respect!**

A Party created to unite the country to achieve real solutions, based on clear principles, sound judgements, courageous conversations, and sensible solutions.

ISAAC HAYES

2019 FEDERAL ELECTION

OCTOBER 21, 2019

PEOPLE'S PARTY OF CANADA

RE-IMAGINE POLITICS.

GOVERNMENT WORKING FOR YOU!

FOR THE INDIVIDUAL

- Reduce tax levels and complexity
- Simplify tax code for credits and removal of special boutique tax credits
- Reduce income tax (0% under \$15K, 15% for \$15K-\$100K, and 25% for over \$100K)
- Abolish Carbon Tax
- Reduce Corporate Tax to 10%
- Reduce Farm Tax to 10%
- Abolish Capital Gains Tax
- Abolish Inheritance Tax
- Abolish supply management practices for Dairy and Poultry industry
- Replace Firearm Act and repeal C-71
- Prioritize new legislation for property rights
- Protect parental rights

FOR THE RIDING

- Fully engage the 3 MP responsibilities to legislate in parliament, represent the riding, and serve the needs of all constituents
- Work for the changes that affect all aspects of our daily lives to reduce financial burdens, right injustices, streamline systems, and add common-sense solutions for a better life.

FOR THE PROVINCE

- Government in accordance with Canadian Constitution and Provincial responsibility
- Reform and reduce Equalisation payments to provinces for fairness
- Appropriate privatisation of Crown corporations to reduce tax payer costs
- Abolish corporate welfare
- Remove interprovincial trade barriers using Section 91(2) of Constitution
- Healthcare funding and management transferred to provinces per constitution
- GST transferred to provinces for use
- Repeal C-48 & C-69 legislation
- Use federal authority to enable energy projects of national benefit and security

AS PRIVATE MEMBER

- To work diligently to move forward presently idle legislation for Family Law Reform, Child and Family Services Reform, Divorce Act (1968, 1985) Reform, Child-support Tax Law (1997) Reform, and push forward 50/50 Legislation
- Establish Ministry of Buildings & Property

FOR THE COUNTRY

- Protect & enhance freedom of expression by repealing Section 13, M-103
- Re-establish Canadian sovereignty
- Foreign Policy focused on security and prosperity of Canadian Citizens
- Withdraw from United Nations agendas for Paris Climate Accord & Migration Compact
- Focus on Economic Immigration
- Substantially reduce foreign aid donation
- Negotiate fair free-trade deals
- Protect Canadian values from political and religious extremism
- Balanced budget in 2 years
- Smaller Federal Government
- Prioritise First Nations agreements
